WORK EXPERIENCE

1 JAN 2021 - CURRENT - Nicosia, Cyprus

Special Scientist

Center of Excellence in Biobanking and Biomedical Research,
University of Cyprus

1 JAN 2020 - 31 DEC 2020 - Nicosia, Cyprus

Assistant Researcher

Experimental Pharmacology & Molecular Biology Laboratory,
University of Cyprus

1 JUN 2016 - 31 AUG 2016 - Alexandroupolis, Greece

Summer Internship

Human Genetics Laboratory, University of Thrace

EDUCATION AND TRAINING

AUG 2018 - OCT 2019 - Nicosia, Cyprus

MSc in Medical Genetics

Cyprus School of Molecular Medicine (CSMM), Cyprus Institute of
Neurology & Genetics

Final-year diploma Project at the Molecular Genetics Thalassaemia
Department

Title: Establishment of haematological indices for α -thalassaemia
patients based on genotype/phenotype correlation studies.

SEP 2013 - JUL 2018 - Alexandroupolis, Greece

BSc in Molecular Biology and Genetics

Democritus University of Thrace

Final-year diploma Project at the laboratory of Human Genetics

Title: Genotyping of the arylamine *N*-acetyltransferase 2 gene (*NAT2*) in a
population from the area of Thrace.

LANGUAGE SKILLS

MOTHER TONGUE(S): Greek / Russian

OTHER LANGUAGE(S): English

CONFERENCES AND SEMINARS

NOV 2017 > - Athens, Greece

● **68th Conference of the Hellenic Society of Biochemistry and Molecular Biology**

Poster Title: "Genotyping of the arylamine N-acetyltransferase 2 gene (*NAT2*) in a Greek population", Maria Pozova, Vasiliki Garefalaki, Sotiria Boukouvala, Giannoulis Fakis

MAY 2017 > - Lamia, Greece

● **39th Annual Conference of the Hellenic Society for Biological Sciences**

MAY 2016 > - Kavala, Greece

● **38th Annual Conference of the Hellenic Society for Biological Sciences**
